## Conewango CN-01 Calf Nipple

A quality replacement for all snap-on type nipples, designed to fit most bottle types.

*After extensive field testing this nipple we have concluded it is superior to our competitor's nipples in the following ways:*

- Attaches and removes from the bottle easily
- Stays on the full bottles when carried by the nipple
- Very little or no milk leakage from the nipple or the vent
- Soft and supple rubber formation
- Service life easily matches the competition

The **CN-01 Calf Nipple** carries the standard Conewango money back guarantee. You decide; if this product doesn't out perform your current brand we will gladly refund your money.
